The Humanity of Christ:

II. When Divinity and Humanity Collide

The Humanity of Christ:

John 11:32-33 -

Now when Mary came to where Jesus was and saw him, she fell at his feet, saying to him, “Lord, if you had been here, my brother would not have died.” 33 When Jesus saw her weeping, and the Jews who had come with her also weeping, he was deeply moved in his spirit and greatly troubled.

II. When Divinity and Humanity Collide

The Humanity of Christ:

Jesus Wept.

“There is infinitely more to the two words than any sermonizer, or student of the Word could ever bring out of them...”

~Charles Spurgeon

“This is for the man, who never learned to read or write
He worked two jobs instead of going to school
I know they hurt you as a child, please remember all the while
That God weeps too

This is for the widow, who now must sleep alone
When the memory of a kiss will have to do
Every night when she lays down, you can almost hear the sound
When God weeps too

God weeps too, God weeps too

Though we question Him for all that we go through

Still it helps me believe and my pain it does relieve

When I think that, God weeps too”

~ **Eli**
