IV. God is Majestic in Creation

Response - Ascribe Worthiness to God

Psalm 147:1-5 -

Praise the LORD! (Because) He heals the brokenhearted And binds up their wounds. He counts the number of the stars; He gives names to all of them. Great is our Lord and abundant in strength; His understanding is infinite.

“That which claims our deepest attention makes us what we are. If we concentrate upon what happens around us and become absorbed with the affairs of men and nations, we inevitably become cynical and disillusioned with life. If we turn inward and direct attention upon ourselves, we shrivel in our own little sphere of experience, ultimately becoming enslaved to the dying flesh. But if we focus attention upon God and the greatness of His being...our minds and spirits pulsate with the heartbeat of the universe, and existence takes on deathless, joyous meaning.”
